

Town of Franklin

Ordinance on Key Boxes

Be it ordained by the legislative body of the Town:

All commercial/industrial structures that have off-site monitored fire alarm systems, store hazardous materials, or are deemed necessary by either the Franklin Volunteer Fire Department or the Town Fire Marshal, shall have a rapid entry key system installed for use by the Franklin Volunteer Fire Department. The key box shall contain keys for all areas covered by the fire alarm system front entry, hazardous areas, and/or other areas deemed necessary by the Department. The rapid entry key system shall be of a type approved by the Department, and installation shall be in a location approved by the Department. Existing buildings shall provide a rapid entry key box within one year of adoption of this ordinance.
